Stamping Nail Art

The Professional Salon Case

Konad Stamping Nail Art™ is a new and innovative nail-imprinting kit that allows you to stamp beautiful pre-designed images on your nails in minutes! Our kits do not hold back on quality, it delivers beautiful delicate images that hand painting cannot achieve.

Not only are the kits cost effective and time saving, but with hundreds of designs available you can apply and change designs as many times as you wish, creating beautiful nails that are only limited by your imagination.

fast, easy, and fun!

Konad PRO UV gel set
