iSpa™

Our newest and most innovative pedispa, the iSpa™, features an iPod dock and powerful built-in speakers to provide an ideal way for your customers to escape the world outside and to relax in their own space. The spa basin has all of the great features you have come to expect from T 4, such as a SaniSmart™ jet which can be used with disposable liner, a single hot/cold control mixer multi-functional shower head with backflow prevention, push button switches, and a built-in LED light. The iSpa™ also features overflow safety, 7" chair base movement, removable armrest, cup holder and removable sink bowl.

[CHAIR]

The Human Touch™ iPad is a luxurious massage cushion designed especially for use in our iSpa™. The slim design is ergonomic and beautiful. Your customers will enjoy four point rolling and kneading massages, reaching from their shoulders to their lower back. This massage pad hides some of the most advanced massage systems available today, it also features a heat option. The attractive marine quality PU grade leather is also easy to clean. Pads are available in red or white color.

[AUDIO]

The audio docking port will accommodate almost any iPod model (except first generation iPod models and iPod shuffle) and will charge the iPod as it plays. The two speakers use high-tech materials such as titanium and neodymium magnets to deliver dynamic sound and powerful bass, even at low volumes. The innovative Bass Boost feature electronically enhances the low tones. The iSpa™ sounds as good as it looks.
